

I oppose opening the way for even more media monopolies. As it is now, , with 6 companies running the Carl Rove fed propaganda-media, WE, THE PEOPLE, do not enjoy a free press in this country, supposedly the model for democracy in the world. Let us try to get back a Free Press in America. DO NOT vote to legalize less restrictions. This will only continue to help the neo-con fascists in the present American Administration. Wake up and smell the Nazi's!!!! DO NOT HELP TO TURN AMERICAN INTO A POLICE STATE. It is you and your family that will pay the price of the loss of liberties this administration wants to shove down our throats. SAVE AMERICA!!!!!!! THERE CAN BE NO DEMOCRACY WITHOUT A FREE PRESS.
